## Ukraine

1/2

Please join us as we thank the Lord for the reopening of schools in Ukraine. Some schools will have a combined form of education – both online and in-person. We pray that each child will have the means to catch up and receive the education they need. Ukrainian children's education was significantly disrupted, first by the pandemic and now the war.

3/4

Please continue to pray for all the families and elderly in our support programs whose husbands and sons were mobilized to fight in the war. Pray that the peace of God, which surpasses all understanding, will guard their hearts and minds in Christ Jesus.

5/6

Please pray for our teams as well as those most vulnerable in the coming winter months. Many predict a tough and cold season this year.

7/8

Please pray for the preparation of our Operation Christmas Love project. We will work side by side with faithful volunteers to pack 12,000 boxes filled with essentials and treats - a gift of goodwill for Christmas. Please also pray for good weather as we often must do this outside.

9/10

We are thankful for your prayers for Dmytro, who was seriously injured in a missile attack, and for his family. Sadly, Dmytro passed away. Please join us as we pray for the Lord's comfort and strength for his widow and children in the time ahead.

11/12

Please join us in praising the Lord that we've been able to continue to serve, share the Gospel, and respond to those in need in our country.

## Ukraine

13/14

Please pray for our Operation Christmas Love campaign that will cover many regions across Ukraine. We anticipate huge need this year as a result of the war. Please pray for the Lord's provision and our teams' success and protection, as this will be especially challenging in terms of safety and geography.

## Bulgaria

15/16

Please pray for Ana, who oversees our work with the homeless. She is expecting twins. Please join us in praying for a safe delivery and God's blessing over the children. Please also pray for our new staff member who will take over her responsibilities with the Street Mercy project. We pray for wisdom, compassion, strength, and resilience.

17/18

Please join us in praising God for his goodness. A family of seven supported through our Street Mercy project for the homeless has now been granted a municipal home.

“And this is the testimony: God has given us eternal life, and this life is in his Son.”  
**John 1:5-11**

19/20

Through our Operation Christmas Love project, we aim to show the love of Christ in a practical way. This year we plan to deliver 3,500 parcels to families in need in Bulgaria to ease their burden at Christmas time. Please join us in prayer that God's love and care would touch the families, children, and those we work with and that it would become a turning point in their lives.

21/22

Ukrainian refugees under our care have now enrolled their children in Bulgarian schools. Please join us in prayer that the children will be welcomed, adapt well, and be able to catch up on missed education. Please also pray for them as they attend our community center from Monday to Friday in Gotse Delchev to learn Bulgarian.

## Romania

23/24

Supporters of the Mission will be travelling to Romania. Please pray for their protection and meaningful encounters as they visit families, children, and those we work with.

25/26

Please pray for Gheorghe, a father in our family support program. He is still recovering from back surgery but needs to return to work to secure his job and support his family.

27/28

Please pray for the safety of staff this winter season who will be traveling in difficult and hazardous driving conditions delivering Christmas and food parcels and other practical help.

# Romania

29/30

Please pray for our work with Ukrainian refugees in the Danes community. We've started a kindergarten and will also launch a school program for Ukrainian children. Please pray for Godly wisdom and guidance as we plan, organize and implement these new initiatives.

## DECEMBER 2022

### All Field Countries

1/2

Please join us in giving thanks to the Lord that we've been able to support our Church partners with Operation Christmas Love parcels. In so doing, enabling them to bless their congregants and provide them with the gift of a filling meal and other essentials.

3/4

Please pray for Godly wisdom and direction for our leadership in planning for 2023. Please pray for Stephen Young, our CEO, and the members of our international team who oversee each of the 18 countries involved in the Mission.

5/6

Pray for our upcoming Operation Winter Rescue campaign, where firewood, clothing, and other winter necessities will be distributed among children, families, and the elderly.

7/8

Please join us in thanking God for his provision and donors' faithful support. Our annual Back to School campaign has seen more than 5700 backpacks, school supplies, and books given to children ahead of the new school year.

### Albania

9/10

Pray for the stability and safety of our country, which has been under cyber-attacks after cutting diplomatic ties with Iran.

11/12

Please pray for our staff, Church partners, and volunteers as we prepare for our Christmas events. Please pray for people's hearts to be open to accepting the Good News about God's love towards them.

## Albania

13/14

Please pray for our After-School program in Ex-Swamp and Fllaka communities. Here, 75 children receive educational support from qualified teachers. The earthquake and pandemic created a huge gap in learning for children, especially those from vulnerable backgrounds. The individual attention children receive at the After-school program helps them overcome difficulties and become confident in their work.

15/16

Please continue to pray for the right person to join our team in the Albanian office — someone with a heart for God and the ministry.

## Bosnia-Herzegovina

17/18

Please join us in praying for one of our staff members in Bugojno who is experiencing severe back pain. Doctors recommended surgery. Please pray for a successful surgery and his full recovery.

19/20

Please pray that through our Christmas events and Operation Christmas Love project, children and families will not only receive a gift box filled with essentials, but the greatest gift of all, Jesus, the hope of the world.

21/22

Please pray for our newly opened After School program in Tuzla. We pray this program will be a blessing to the children and the whole community.

23/24

Please pray for the mother of five in our Family support program in Tuzla. She is recovering from cancer related surgery. Further tests showed that the cancer has metastasized and that she will need additional treatment. Please pray for God's healing and for her to trust in the Lord and know His peace and love.

25/26

As Christmas is celebrated all over the world, we ask you to join us in giving thanks to God for his gift to a lost and dying world, His only begotten Son, Jesus Christ our Lord.

## Moldova

27/28

Please join us in rejoicing for Ukraine Refugee families seeking God; our women's meetings for refugees have grown from 4 to 30 women attending weekly; and Grandpa Terente from our Senior Care ministry, who was baptized. We give thanks to the Lord for His goodness and mercy.

29/30

Please continue to pray for the people of Moldova. Many live in uncertainty, fear, and anxiety about the war in Ukraine, which is so close to home. Prices are also escalating, and winter is coming.

31

Please pray for our Christian Input team and the seminars they organize to equip the volunteers.
