Prayer Calendar

The prayer of a righteous person
is powerful and effective

James 5:16

JANUARY 2023

All Field Countries

1/2

We thank God for using the Mission - its staff, volunteers, and supporters - for His Glory during 2022. We thank Him for every opportunity to share the Gospel, for the lives that have been changed, and for children and families that lifted themselves out of poverty. We pray that the ministry will continue to grow under God's blessing and protection.

3/4

Please pray for the children who attended Christmas parties in December. Pray that the news of Jesus will continue to work in their hearts and that they will understand and experience God's love and compassion.

5/6

Please join us in giving thanks to our supporters who helped their sponsored children and families and all Ukraine children in care homes with a Christmas gift. These included child refugees and those orphaned by the war.

7/8

Please pray for families who have sick family members at home. Pray that God will touch their bodies and hearts and strengthen those looking after them.

All Field Countries

9/10

Last month, 42 000 Christmas Love parcels were distributed to needy families, the elderly, and the disabled. Many Christmas events were held in local churches, State Homes for children, and community centres where all the recipients heard the Christmas message. Pray that the Lord will work in the hearts of all who heard the Good News of the Gospel of Christ.

Bulgaria

11/12

We thank the Lord for every church that opened its doors to Ukraine refugees, offering them food and shelter. Please pray for the pastors leading their churches to be strengthened by His grace and Word.

13/14

We thank God for His mercy on Alexander Arsov, who is being helped through our Street Mercy ministry. Alexander suffered from third-degree burns, and due to improper treatment, his condition deteriorated. Praise God that He answered our prayers and used a nurse that Street Mercy collaborated with to help him receive adequate treatment. Please pray for Alexander's full recovery.

15/16

The winter season is hitting its peak. Please pray for the homeless from our Street Mercy program; that the Lord will keep them safe in the cold temperatures to find shelter from the bitter and deadly cold - especially those who sleep on benches in parks and gardens.

17/18

We give praise for the people we meet through our Street Mercy program who ask for Bibles. We praise God for working in their lives as we continue to minister to their needs with love and care for His people

19/20

We partner with several churches to visit three prisons year-round to share the Good News and fellowship with song, Bible study, and prayer. Please pray for the salvation of inmates and that the Lord will draw them closer to Him. Please also pray for the impact of our Christmas celebrations, where we distributed Care Packs.

Moldova

21/22

Please pray for the Levinschi family. This single mother has to travel to Chisinau 3 times a week for treatment for her 11-year-old son, who is unwell. Their situation is taking a massive toll on the mother as she struggles to provide for his needs. Please pray for healing and restoration for this family.

23/24

Please pray for our Street Mercy program, which offers the homeless a warm meal, fellowship, and other needed goods. Please also pray for our partner church in Chisinau, which gives them barbershop services and the possibility to take showers.

Moldova

25/26

Please pray for the mother of family C. She has a mental disorder and is currently recovering at home after treatment at a psychiatric hospital. Please also pray for the concerned father and their three children.

27/28

Please join us in praying for a spiritual awakening in Zubresti village. We pray that the Lord will bring people to repentance and that they will turn to him for their salvation.

29/30

Please continue to pray for the churches we work with – for spiritual strength as they work to keep connected to the adults and children the Mission brings to their doors.

31

Please join us in rejoicing for all those who choose to love and serve the Lord. May God bless them and their families as they continue to trust Him.

FEBRUARY 2023

Bosnia-Herzegovina

1/2

We have had good Christian outreach events and follow-ups over the last few months. We praise the Lord for these opportunities and pray for every individual's spiritual renewal.

3/4

We give praise for God's hand over Anela's medical care. Recent testing showed she does not have epilepsy, and the doctors were able to find a better treatment protocol. She has since returned to school full-time! We pray for her future that God would give her big dreams.

5/6

Many people will struggle to survive this winter. Please join us in prayer for the Lord's provision to assist families, children, and the elderly with blankets, warm clothes, winter shoes, firewood, coal and fuel through our Operation Winter Rescue program.

7/8

Please continue to pray for Nermin, one of our staff members in Bugojno, who is experiencing severe back pain. We praise God for Nermin's passion for the mission and how he serves the Lord and pray God would enable him to continue this important work.

9/10

We pray for 11 month old Baby E. and her mother who is journeying through a very dark season and is struggling to care for her baby. Baby E has lost weight and isn't thriving as she should. Please also pray for wisdom for our team journeying with this family.

We pray they will be able to reach the mother so that she will have the courage to seek the help she needs. We also pray for Baby E and her father for their health and their hope for things to improve.

Albania

11/12

Please join us in prayer that we are able to share the gospel with families when we visit them and serve them and that God will open their hearts.

13/14

Please pray for the MWB Albania staff to continue to be tools in God's hands for sharing the Gospel with families and children. Pray for a humble and servant spirit as they share hope and serve those in need.

15/16

Please join us in prayer for families in unstable and volatile marriages. We pray that God will work in their hearts for forgiveness, healing, and unity.

17/18

Praise our Lord for the sponsors and donors who are so generous and support families and children as Albania rebuilds after the Earthquake and pandemic.

21/22

Please pray for the enduring strength of all those who continue to serve our Romanian communities, as well as doing extra work to support Ukrainian refugees.

Romania

19/20

We give praise to God for the wonderful way He answered a family's prayer. The parents separated, splitting the children apart, but now, the entire family has reunited and is happy and peaceful.

Ukraine

**ONE
YEAR
AT
WAR**

23/24

We thank God for his protection and guidance in this dark time for our nation. We thank God that we've had no active hostilities in the area surrounding the MWB office and we can work and help those in great need.

25/26

Let us pray for the church in Ukraine! May they feel our prayers and petitions. May God continue to be an overflowing well of strength for them when weariness threatens to take over.

27/28

Please pray for this winter season, as our energy system has been severely damaged. Please pray for families without water and electricity, that they will keep warm and have sufficient food and water.
