

MISSION WITHOUT BORDERS

Partnering in Prayer

SEPTEMBER 2021

Albania

1/2

Praise the Lord for His protection during our Summer Camps. Please pray that the Word of God may produce abundant fruit and that young people come to know and love Jesus.

3/4

Thank God that many COVID restrictions have recently been lifted. Pray for continued freedom and that the new academic year will go ahead as planned.

5/6

Please pray for the families that participated in self-sufficiency projects this year. May God provide enough income through their work; pray for the Mission's impact to have genuinely changed their perspective on life.

7/8

Please pray for the new government leaders to be committed and dedicated to public service, have humble hearts, and fear God. Pray for God's wisdom as they lead Albania over the next four years.

9/10

Please pray for Elvana K (36), that God would provide financially for her surgery and bring healing to her body.

11/12

Please pray for Family D, who were very poor, and were recently blessed with a baby girl. Pray that God will provide for them and bless them with good health.

"This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us."
1 John 5:4

Moldova

13/14

Please pray for the health and protection of our beneficiaries, staff and faithful volunteers that serve them.

15/16

We thank the Lord for answering our prayers and allowing summer camps and day camps to go ahead this year. Please pray that the message of the Gospel will stay with the children now that they've returned home.

17/18

Elections were held in July. Please pray for wisdom and a spirit of servanthood for all those in authority. Pray the leadership of Moldova will fight against corruption and political instability and that there will be better living conditions for the country's inhabitants.

19/20

As more people are vaccinated, thank God that MWB can continue to build up its After-School programmes, women's meetings, family visits, bible studies and prayer meetings.

21/22

Pray for the family of Radu, a young man who died in a car accident in July. Pray for God's comfort for his brother Gheorghe, who volunteers for the Mission.

Bulgaria

23/24

July's snap national election had the same result as the previous election in April. The result is a fragmented parliament that again may fail to produce a government. The nation has endured 30 years of transition from communism to democracy. Bulgarians are tired of these fruitless attempts to manage the situation. We pray that God will change the politicians' hearts to do their best for the people's welfare.

25/26

Praise God for the children who attended Summer Camp this year. Pray that the seeds sown in their hearts will grow and bear an abundance of good fruit.

Bulgaria

27/28

Several of our homeless beneficiaries are suffering from various diseases causing dangerous wounds. Pray that God will open doors in hospitals to provide treatment to the homeless who do not have health insurance.

29/30

Praise the Lord for answering prayer and providing a means for us to secure a new bank account and continue operations seamlessly – after serious administrative hurdles with our previous bank.

OCTOBER 2021

1/2

One of our Soup Kitchen beneficiaries has a bent spine. He will apply for a disability pension, which is a complex and time-consuming process. Please join us in praying for a successful outcome and for a pension that is enough to cover his needs.

Romania

3/4

Praise God that we could carry out all our activities and projects, despite the pandemic. Vaccinations are going ahead, and 25% of the country have received their immunisation shots.

5/6

Please pray for stability and peace for a family from a community in Mures county. They are struggling with social issues as well as a lack of resources.

7/8

We continue to rejoice over successful Summer Camps this year. Please join us as we thank God that the Gospel was shared. We pray that His Word will continue to touch the hearts of all and that as many as possible will become His children.

9/10

lonel, the father of a family from Suceava county, has died after a long struggle with liver cirrhosis. Please pray for the family, that God will comfort them and give them peace and strength to go on.

11/12

Please pray for Elena (13), a very bright Roma girl who has shared her eagerness to continue her education. Pray also for our coordinators who encourage her parents not to pressure her to drop out of school.

13/14

Please pray that the Ministry of Education will consider the desire of most people to teach their children true Christian values while at school.

"Let us then approach God's throne of grace with confidence, so that we may receive mercy and find grace to help us in our time of need."
Hebrews 4:16

Bosnia-Herzegovina

15/16

Please continue to pray for our coordinator, Nermin, who suffered a heart attack in May. He is recovering well and is scheduled for surgery to completely resolve the issue.

17/18

Please join us in praising God for successful Summer Camps. Pray for the next step as we prepare with follow-ups. Please also pray that the seed of God's Word will grow in the children's hearts. Pray that the Lord will guide the children in their decisions and that they will remember how precious and loved they are by God.

19/20

Please pray for good relationships with neighbours for the families we serve. The help they receive sometimes results in jealousy and tensions.

Ukraine

21/22

Please join us in praising God for successful Summer Camps this year. More than 700 children had the opportunity to attend in Ukraine and we are thankful for our first camp ever in Eastern Ukraine. With the conflict zone just around the corner, it's been a privilege to bring some joy to the children in that region.

23/24

Please join us in our prayers for the logistics department as they struggle for customs clearance of truckloads of donated goods. May God bless the local authorities so that reasonable decisions can be made.

25/26

Please pray for the children in all our children's homes and the Mission's Educational Centre in Sarny that started their new academic year in September.

27/28

Pray for those who have already suffered from the virus, to be protected from the complications and effects it may have on their health.

29/30

Please pray for the protection of our beneficiaries and our team - the vaccination rate is currently inadequate in Ukraine.

31

Please pray for good weather conditions, a successful harvest and for agricultural projects to flourish.
